

Good Afternoon Mrs. Fearon:

Hope your day is going well.

I had to dig very deep into my soul. I discovered that it would be best for me to obtain my paralegal certificate as soon as possible so I can be marketable for all of the available opportunities being offered in this field.

Many days I have gone to sleep with tears in my eyes because I feel like a failure since getting laid off from my job in January of this year. However, knowing this is not true, I decided to move forward continuously and make things happen regardless of how bleak things may appear.

Therefore, I walked over to Hofstra University and met with Mrs. June Mullun. She was very warm and receptive and informed me that the only course I needed to re do is the Civil Litigation Course which I failed. This was due to me not having a clear mind after the accident.

You showed me that life is not over and by finishing my education as a paralegal, I will have a career not simply a job and more so be a true professional.

Mrs. Fearon, I just wanted you to know that you gave me the strength to not give up and know that I am truly a woman with grace, class, and style but most of all intelligence.

I start the course on October 29, 2013, and I can pay the \$515.00. I sacrifice because my education will change my life forever.

All I need to do is get a "B" or better in this course and I will be handed by certificate with no problems per my conversation with June Mullun. She was really nice to me and she too was encouraging.

I thank you both for making me see the light.

Have a wonderful week and I will keep you updated.

Sincerely,

Charlene Marstiller
