

Hello Ana-Maria;

I wanted to send you an email complimenting you and, in particular, one staff member: Gloria Schramm.

Recently Gloria sent me a notice about the DoL grant to take a PMP class and prep for certification at Stony Brook University.

Although I still had to apply and meet definitive criteria, Gloria realized that I qualified and suggested the program to me.

As luck would have it, I was accepted and have already completed the first week's classes. It is quite challenging but I am having a wonderful time learning. All the transitional people from Hempstead Works are all in agreement and rave about Gloria and the support she offers. Aside for my sincere gratitude for all Gloria's help in sending job posts, letting me know about this program and in general making me feel that at least in her eyes I, a long term unemployed person, have not fallen thru the cracks.

Again I want to thank you and Gloria for helping me during this extremely difficult time.
Thank you

Allison S.
