

Career Pathways Services for Youth with Disabilities

A career pathway is a combination of high-quality education, training, and other services that lead to successively higher credentials and employment opportunities in growing occupations.

SERVICES WE OFFER:

- In-house workshops: Building a Resume, Interviewing Strategies, Job Searching, and more
- On-site employer presentations and job recruitment events
- Career Guidance
- Free career and training services to participate in existing career pathways programs
- Paid work experience for developing skills in a professional setting
- Job search assistance

Other Services Include:

- Access to Integrated Resource Teams:** representatives from different agencies and service systems coordinate services and leverage funding to meet your employment needs
- Benefits Counseling:** services that help you understand your public and private benefits and assistance with coordinating these benefits
- Ticket-to-Work:** services allowing you to keep your benefits while you explore employment, receive vocational rehabilitation services and gain work experience
- Vocational Rehabilitation:** transition services for students that facilitate the transition from school to postsecondary life
